SPAWAR Systems Center San Diego Awards Contract

SAN DIEGO — CACI Technologies of Chantilly, Va., is being awarded a \$15,709,048 indefinite delivery, indefinite quantity, cost-plus-fixed-fee contract for independent verification and validation /program acceptance testing, providing engineering services in support of tactical Command, Control, and Communications (C3) Systems. This three-year contract includes one, two-year option which, if exercised, would bring the cumulative value of the contract to \$27,611,687. All work will be performed in San Diego, and is expected to be completed by October 2007. If the option is exercised, work will be completed by October 2009. Contract funds will not expire at the end of the current fiscal year. This contract was competitively procured, with two offers received, via publication in the Commerce Business Daily, and posting to the SPAWAR e-Commerce Central website. The Space and Naval Warfare Systems Center San Diego is the contracting activity (N66001-04-D-5009).
